States that two more vacancies are available to be filled up in the Cadre of Medl. Probationers consequent on the death of Messrs. M. N. Srinivasa Rao and A. Vasudev, the present two vacancies should be classified as Special. Otherwise the vacancy No 16, will have to be treated as Genl. & the vacancy No 17 as Special.
Lieut. Col. requests that the question of filling up these vacancies may be ordered to be taken up for consideration when applns. are recd. from C. R. Bs.

In the matter of the appointment of the medical probationers, I wished to say yesterday that of the two vacancies kept by me may be considered as kept vacant to count against Dr Misra's appointment leaving another still unfilled. It will be a simple arrangement to treat Mr Puttaraja as appointed in this vacancy. This is a general vacancy and appointing Mr Puttaraja in it will be in order.

This however not likely to be a long duration as on the return of Drs Karim and Monteiro I believe two vacancies will cease. (This is to be verified)

Another arrangement will be to treat Mr Shamanna who has been already appointed as lent to the University and appointing Mr Puttaraja in the

The General Secretary to the
Government of Mysore, Bangalore.

Sir,

With reference to your letter No. G.8407/Med.57-35-8 dated 14th April 1936, stating that out of the six existing vacancies, four will be advertised by the Central Recruitment Board and the remaining two vacancies will be kept by for the present, I have the honor to state that two more vacancies have since occurred consequent on the death of Messrs. M.N. Srinivasa Rao and A. Vasudev.

As vacancies nos 14 and 15 have been kept by and ordered to be left out of account for the classification of subsequent vacancies in the series, the present two vacancies nos 16 and 17 should be classified as " Special." Otherwise, vacancy No. 16 would be " General" and the last No. 17 " Special."

I propose that the question of filling up these vacancies may also be taken up for consideration when applications are received from the Central Recruitment Board.

27 MAY 1936

Sir,

With reference to correspondence ending with your letter No. G. 9511/Med. 57-35-10 dated 22nd May 1936 stating that the two vacancies that have since occurred should be treated as "Special", I have the honour to state that the total number of vacancies now available to be filled up in the cadre of Medical Probationers is eight as detailed in the margin. Of these eight vacancies, four are permanent and the remaining four are temporary. Deducting the two vacancies (Nos. 14 & 15) which have been ordered to be kept by for the present (Please vide your letter No. G. 8407/Med. 57-35-8 dated 14th April 1936), there will be six vacancies available to be filled up by entertaining new candidates. Of these six vacancies, one has been treated as "General" and the remaining five as "Special" in accordance with the rules for the classification of vacancies.

Vacancies (Permanent).

1. Resignation of Mr. A. C. Shankara Iyer.
2. Death of Mr. A. Vasudev.
3. Death of Mr. B. J. Ramiah.
4. Death of Mr. M. N. Sreenivasa Rao.

Vacancies (Temporary).

5. Grant of leave to Mr. B. N. Balakrishna Rao, Assistant Surgeon.....2 years from 12-9-35.
6. Grant of leave to Mr. B. R. Ramalinga Reddy, Assistant Surgeon..... 1 year from 2-1-36.
7. Deputation of Mr. Khaliq Sheriff for.....10 months from 22-12-35.
8. Grant of leave to Mr. V. V. Monteiro.....6 months from 23-3-36.

I am enclosing herein the applications in original received through the Central Recruitment Board in response to the advertisement made in respect of these six vacancies. The application of one Mr. Ganeswaran received direct in this office is also herewith sent.

For the five vacancies to be filled up by selecting candidates

candidates from the "Special list", there are eight applicants. Of these, I would recommend the names of the following candidates:-

1. Mr. C. Gopalaraja Chetty ... (Teluru Banajiga).
2. " M. B. Sundara Rao ... (Kshatriya Maharatta).
3. " T. Manickam ... (Adi Dravida).
4. " S. R. Bhombore ... (Bhavasara Kshatriya).
5. " A. D. Nama Dev ... (Weaver).

Messrs. Gopalaraja Chetty and M. B. Sundara Rao passed the M. B. B. S. Examination of the Mysore University in 1935 and are borne on the waiting list since then. Messrs. T. Manickam, S. R. Bhombore and A. D. Nama Dev passed the M. B. B. S. Examination held in April 1936 and stand higher in rank than Messrs. S. Narayana Setty and M. Appajappa. The former three therefore deserve preference.

As regards the one vacancy which has to be filled up by selecting a candidate from the "General list", 22 candidates have submitted their applications. The 22 applications in original are herewith submitted. Among these 22 applicants, I am of opinion that the case of Messrs. D. Shamanna and Mirle Puttaiya deserve consideration in virtue of the fact that they have secured first and third rank respectively in the final M. B. B. S., examination held in the year 1931. Mr. Shamanna stood first securing 626 marks and Mr. Mirle Puttaiya secured third rank taking 595 out of a total of 950. A statement showing the names of candidates who have passed the M. B. B. S. examination of Mysore since 1929 arranged according to merit and the names of such of those who have been entertained into Government service till now is herein enclosed. A perusal of the list will show that Messrs. B. Venkatasubba Rao, D. A. Lakshmana Rao and B. R. Narayana Iyengar who secured first and and second ranks in the year 1929 and 1930 have been entertained in service in preference to others. Consistent with this policy and in consideration of the fact that Mr. D. Shamanna is reported to be doing good work as Demonstrator in the Mysore Medical College for the past 3 years, I recommend that he may be entertained as a Medical Probationer against the available vacancy. I may incidentally suggest that Mr. Mirle Puttaiya who also holds a distinction and has a good record of work as a House-Surgeon, may be given the post of Demonstrator in the Medical College in place of Mr. D. Shamanna.

I also herein enclose for the information of Government, a statement showing the names of Medical Graduates of Mysore as well as of other Universities appointed since 1929. It will be kindly seen

seen that out of 63 available Medical Graduates of the Mysore University, only 12 have secured appointments so far; whereas during the same period, 18 graduates of other Universities have been entertained in service.

I request early orders sanctioning the appointment of the six temporary Medical Probationers.

I have the honor to be,

Sir,

Your most obedient servant,

S. SubbaRao.

Senior Surgeon.

GENERAL BRANCH
24 JUNE 1936

The General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

In continuation of my letter No.G.C. 207-13 dated 16th June 1936 reporting that Mr. D.Shamanna, B.A., M.B.B.S., whose appointment as a temporary Medical Probationer was sanctioned in Government order No. G. 9963-4/med. 57-35-12 dated 10th June 1936, has been posted to Sree Chamarajendra Hospital,Hassan for duty, I have the honor to forward herewith a copy of D.O.letter No. 477 dated 18th June 1936 received from Dr. J.F.Robinson, Principal,Medical College, Mysore, stating that the College work is stafting new and that it would be a great handicap if Mr. Shamanna, who is a Lecturer in Chemistry, is taken away now. He desires that Mr. Shamanna be allowed to continue in the Medical College at least till the Dasara . I have informed Dr. Robinson that in case Mr. Shamanna is considered as a lent officer from the Medical Department, he can continue in the Medical College as long as may be necessary; his vacancy in the Medical Department being filled up on a temporary basis. Dr. Robinson telephoned to me that he is agreeable to this proposal. The extra cost to the University will be very little as the new pay of Mr. Shamanna is only Rs 80 as against his present pay of Rs 75 as Lecturer.

I may,in this connection, invite reference to my letter No. G.C. 207-9 dated 25th May 1936 proposing the names of Messrs. D.Shamanna and Mirle Puttaiya for the vacancy of a Medical Probationer in this Department and incidentally suggesting that Mr. Mirle Puttaiya be appointed as Lecturer in the Medical College against the vacancy to be released by Mr. Shamanna, Now that Mr. Shamanna has been proposed for and agreed to be retained

to be retained in the M[illegible]al College as a lent officer, I recommend that Mr. Mirle Pu[illegible]aiya may be appointed as a temporary Medical Probationer on Rs 80 in his place in this Department.

I may explain that the three previous vacancies having been treated as " Special" and filled up by appointing Messrs.T.Manickam, S.R.Bhombore and A.D.Namadev, the present temporary vacancy released by Mr. Shamanna has to be classified as " General".

I request early orders.

I have the honor to be,

Sir,

Your most obedient servant,

S. SubbaRao.

Senior Surgeon.

D.O.letter No. 477 dated 18th June 1936 from Dr. J.F.Roninson, Principal, Medical College, Mysore to the Senior Surgeon in Mysore, Bangalore.

---

Orders have come for Dr. Shamanna to. in an appointment at Hassan immediately. I wri[illegible] to ask if he could be left with us for a while. The College work is stafting new and Dr. Sreekantiah cannot carry on alone and to break in a new man at the moment would be a great handicap. If ~~Dr~~.Shamanna would be left until things get into full swing- or, which would be a boon to us, until Dasara- we shall feel very grateful.

UNIVERSITY OF MYSORE

~~MYSORE.~~
Bangalore,
Dated, 19th June, 1936

Dear Mr. Venkatesa Iyengar,

Please refer to your letter to the Registrar dated the 10th instant about the appointment of Mr. Mirle Puttaiya as Demonstrator in Organic Chemistry in the Medical College in place of Mr. Shamanna who is proposed to be appointed temporary Medical Probationer.

19 JUNE 1936

The Registrar tells me he has referred the proposal to the Selection Committee of the Medical College through the Principal, and their opinion is awaited. Today I learnt from the Registrar, by telephone, that Dr. Robinson himself does not favour the appointment of Mr. Puttaiya, since the latter has taken his B.A., degree in Mathematics and Physics. The Demonstrator in Chemistry has to do work not only in Bio-Chemistry but also in Organic Chemistry. For this Mr. Puttaiya is not qualified.

Dr. Robinson told the Registrar that he wanted Mr. Shamanna to be replaced by a Medical Graduate who has taken his B.A., degree in Chemistry.

In the circumstances, I am afraid the University Council, in which is vested the power of appointing Demonstratorships, may not accept the proposed appointment of Mr. Puttaiya as Demonstrator in Chemistry.

Perhaps it would be as well to leave Mr. Shamanna where he is for the present, and allow him to obtain the normal promotion which he would get in the University or go over to the Medical -

P.T.O.

Department later, unless Dr. Robinson's requirement can be fulfilled now alone.

Yours sincerely,

15th May, 1936.

I have known the bearer Mr. M.Appajappa, M.B.B.S. from his childhood. He comes of a poor but respectable family from Morasu village in Alur Sub Taluk of this District, which is a Malnad area. Being of humble origin and small means, he rose up to this height by securing the sympathy and support of outsiders by sheer dint of industry, character and behaviour. He is a Veerashaiva by caste amongst whom there are but few M. B. B. S. Degree holders, probably he being the first or the second till now, to hold that degree. He secured a first class pass in the Lower Secondary and S.S.L.C. Examinations and was the recipient of backward class Scholarships in his High School, Intermediate College and Medical College courses, besides being the recipent of Mr. Appu Rao's Endowment Scholarship in the third year course of the M.B.B.S. Examinations. He is now connected by marriage with the daughter of Mr. H.K. Mallappa, Assistant Inspector of Schools in Kolar, who has given an endowment to the University in the name of his father, the late Mr. Keni Siddappa.

He now seeks appointment as a Medical Probationer amongst the three non-brahmin vacancies advertised in the Gazette. As he belongs to the Veerashaiva community and belongs to a Malnad village which deserves some special consideration, I strongly recommend his case for favourable consideration by the authorities concerned, and their generosity in accepting this candidature will be gratefully appreciated by the Malnad people.

Dr. A. Lakshmanaswami Mudaliar,
M.D., F.C.O.G.,

Government Hospital for Women and Children,
Egmore, Madras, 26th August 1932.

Dr. S. Gnaneswaran, M.B.B.S., has been a House Surgeon in this hospital for a period of one year nearly. He is a resourceful medical officer and can always be depended upon in an emergency. He took great pains with his work in this hospital and has had perhaps more opportunities than any other of his batch in conducting and assisting at obstetric operations and helping at gynaecological operations. The amount of clinical training that he has had in this hospital will stand him in very good stead. His practical experience is far above the average and it may confidently be stated that he should prove a thoroughly capable medical officer.

I have great pleasure in testifying to his practical abilities and his zeal in medical work.

I have much pleasure in giving a Testimonial to Mr. S. Gnaneswaran, M.B.B.S., whom I have known well. He was working as a House Surgeon in my surgical unit, while I was the 3rd surgeon, for over 10 months. He is quite capable, trustworthy and keen to work.. I have often given him extra work, which he always did well with pleasure. He is, in my opinion, one of the promising young men in the profession, who ought to do well. He has acquired already a good surgical knowledge and skill in practical work. He carries with him my best wishes for the future.

Dr. A. Vasudeva Rao is applying for a post in the Medical Department. He has been a House Surgeon in the Krishnarajendra Hospital and worked very satisfactorily. Since then he has put in nearly a year in the department of Pathology and has shown himself very able there. He is of good character and is a sound and dependable worker. I feel sure he will prove a valuable member of the Medical Service if appointed. He is from the Malnad and as Medical education of those from that region has been especially encouraged perhaps special consideration will be given to his application.

Mr. A. Vasudeva Rao M.B.B.S. of Thirthahalli (Shimoga District) has worked as a voluntary Assistant at the Department of Pathology at the Krishnarajendra Hospital at Mysore from August 1935 to April 1936.

I have found him an assiduous helper of ability and perfect reliability, who became well versed with all kinds of clinical diagnostical work done there; microscopical, immunological and Bacteriological the latter including W.R. and Klines Test, Widal test and the preparation of vaccines after isolation of bacteria, out of Pathological products.

He supplanted me as Pathologist of the Hospital when I was not attending the laboratory.

He was very skilful and much liked by the patients who came to the department for all kind of injections and investigations.

I can recommend him for all forms of Medical Service.

15th May, 1936.

I have known the bearer Mr. M.Appajappa, M.B.B.S. from his childhood. He comes of a poor but respectable family from Morasu village in Alur Sub-taluk of this District, which is a Malnad area. Being of humble origin and small means, he rose up to this height by securing the sympathy and support of outsiders by sheer dint of industry, character and behaviour. He is a Veerashaiva by caste amongst whom there are but few M. B. B. S. Degree holders, probably he being the first or the second till now, to hold that degree. He secured a first class pass in the Lower Secondary and S.S.L.C. Examinations and was the recipient of backward class Scholarships in his High School, Intermediate College and Medical College courses, besides being the recipent of Mr. Appu Rao's Endowment Scholarship in the third year course of the M.B.B.S. Examinations. He is now connected by marriage with the daughter of Mr. H.K. Mallappa, Assistant Inspector of Schools in Kolar, who has given an endowment to the University in the name of his father, the late Mr. Keni Siddappa.

He now seeks appointment as a Medical Probationer amongst the three non-brahmin vacancies advertised in the Gazette. As he belongs to the Veerashaiva community and belongs to a Malnad village which deserves some special consideration, I strongly recommend his case for favourable consideration by the authorities concerned, and their generosity in accepting this candidature will be gratefully appreciated by the Malnad people.

SIR,

We the members of the Swakulasali Sangha and the Community beg to bring the following few lines for your kind consideration and favourable orders.

Mr. A. D. Nama Dev, who is a Mysorean by Birth, is a native of Molakalmuru in Chitaldrug District and he belongs to our Community. He has passed the M.B.B.S. Examination of the Mysore University in the year 1935-36 and applied for one of the Medical Probationers' - post as per notifications announced in the Mysore Gazette dated 1st. May 1936. Regarding his character and the scholastic career in the Medical College, we have herewith enclosed the copies of the credentials for your information.

As regards the condition of our community, it is the most backward of all the communities of Hinduism and outside and it stands far behind in progress in all respects (Educational, Social & Economical) and it has absolutely no possibility of coming forward like other communities, since it has been involved in severe poverty due to trade depression, influx of the machine and power looms etc. Besides this community has not been represented up to now in any of the Departments in the Government Service. Such being the case, it is really a joy to us to see that such a backward community as this has produced a M.B.B.S. and when he will be appointed, it will surely give us a fresh energy and turns a new aspect of life in us to come forward like other sister-communities.

Under these circumstances, we request that you will be kind enough to appoint him ( Mr. A. D. Nama Dev ) to the Medical Probationers' post.

For which act of kindness, we shall be ever grateful to you.

We beg to remain,

Dear sir,

The bearer is my brother Dr. L.S. Doraswamy, B.Sc., M.B.Bs., of the Mysore University. He graduated from the Medical College in the year 1930 and thereafter he served as House Surgeon in the Victoria Hospital for 2 years. Since then he has been waiting for an opportunity to serve the Government of Mysore in the Medical Department. I understand that there is a vacancy at present in the medical department and that consequently a medical Graduate is going to be entertained on probation. My brother will represent to you as to his qualifications and if he is through your kind auspices so fortunate as to obtain a footing in the Medical Departmen I shall feel thankful to you.

Dear Sir,

May I beg of you to permit me to mention a line about one Mr. Appajappa, M.B.B.S., an applicant for one of the three appointments of Medical Probationers thrown open to non-brahmins. He is perhaps the only Lingayet M.B.B.S. applicant and he comes of a poor but respectable family of Marasu, a village in the Malnad Sub-Taluk. He worked his way up with the aid of outside charity and scholarships and is a well behaved young man. His appointment will be a source of great satisfaction to Malnad people, and I hope I am not appealing to you in vain in requesting you to be so good as to view his case with sympathy. I have asked him to wait upon you & submit his case for your sympathetic consideration and I shall be greatly obliged for a chance being given to him to do so.

With best regards,

Yours sincerely,
